Note: The actual counts, the rates, the percent changes, and the clearance rates data for City of Winnipeg crime totals include calculations submitted to the Canadian Centre for Justice Statistics (CCJS). Due to CCJS updates, previously reported numbers are subject to change. Because the data printed in previous *Winnipeg Police Service Annual Statistical Reports* do not contain the updates, actual crime figures may vary slightly with CCJS historical data. Statistical data are accurate as at date of publication.

Unless otherwise specified, all data contained within this report was compiled and produced by the WPS Research & Development Unit.
